ABOUT COMMUNITY SOULS

Community Souls is a social enterprise that works with people living in areas of high deprivation in North London. We trade as a cleaning company: Community Souls Cleaning Company which tackles unemployment within the community by training and supporting those dependent on benefits or low incomes and offering them paid work, as well as supporting personal and professional development. All profit generated is reinvested into Community Souls to support our youth projects and staff.

JOB DESCRIPTION

We're looking for someone local from the East Finchley N2 area to join our growing cleaning team and become part of our social enterprise and continue to take our professional cleaning services further in the borough of Barnet. You will be responsible for delivering and overseeing the day to day cleaning in a new community centre, working in partnership with our client to ensure our cleaning services keep their space hygienic and clean whilst bringing added value.

This is an excellent opportunity for someone local within the East Finchley N2 area, experienced in cleaning, looking for part-time flexible work and the opportunity to be part of the impact within our community.
